CRATER MINI OVERVIEW

ACCESSORIES

CHARGING THE DEVICE

Plug the USB cable into a USB power source, plug the micro charging connector into the charging port located at the base of the device.

USING THE DEVICE

To turn ON/OFF, press the button rapidly 5 times - The unit vibrates and the LEDs blink WHITE/PURPLE indicating the battery charge level (1 low, 2 medium, 3 full).

To change the temperature level, click the button once (1 low, 2 medium, 3 hot).

The LEDs will BLINK GREEN while heating, until reaching the desired heating level and will then turn SOLID GREEN and vibrate once.

Airflow is adjusted by moving the lever on underneath the unit.

Re-charge the device when the battery is low or empty (LEDs blink rapidly 5 times).

FILLING THE CHAMBER

The chamber uses non-burn heating technology but do ensure it is cool before touching.

Carefully remove the mouthpiece and adapter from the device.

Load your botanical herbs into the Ceramic Heating Chamber.

Insert the adapter and mouthpiece back into the unit.

CLEANING & CARE

Clean the device and mouthpiece with Isopropyl alcohol or alcohol wipes

- Let the mouthpiece completely dry before reattaching it.
- Remove the filter screen from the mouthpiece and clean or replace as needed. Accessories are available at www.cratervapes.com
- The heating chamber can be cleaned using the brush tool included.
- Use a small amount of alcohol with a cotton bud q-tip or alcohol wipes to clean the outer area of the chamber and air filter.
- Do not use cleaning solvent.

TIPS & WARNINGS

Grind your favourite ingredients fine and pack tight.

- Do not overpack the heating chamber as this will restrict the airflow.
- Wait for the desired temperature to be reached.
- Take short drags and leave 3-4 second gaps between drags - to maximize efficiency, whenever possible after using allow unit to cool, and then mix the contents of the oven as required before the next cycle.
- Charge unit a minimum of every 3 months to maintain battery.
- Keep the unit at room temperature.

- Do not use liquids or fluids in the device as this will damage the heating element and may cause other internal damage.
- Do not disassemble, damage or modify the device in any way or the warranty will be invalid.
- Do not leave the device unattended while charging.
- Keep out of direct sunlight. Do not charge or store the device near fire or high temperatures.
- Crater Club Membership & Care is available for accidental damage – see www.cratervapes.com/membership-registration for terms.
